Looking For Crew

Looking for crew for a Hunter 36; daysailing, no racing. No experience necessary, young or old like me! Steve Morehouse – stevemorehouse@yahoo.com

Wants to Crew

I am interested in serving as a crew member aboard sailboats in order to gain more experience and advance my skills. I have about 3 years' experience on small vessels, including Lasers and Hobies, and recently began sailing CL-14's. I have also had some experience on larger boats, though not as a captain. Most of the sailing I have done has been on Lake Michigan, though I have also had experience in the Caribbean. I have a basic knowledge of terminology, knots, rigging, and fundamentals, in order to feel comfortable on sailboats and captaining my own. I am a quick learner, passionate about sailing, and am eager to explore opportunities in the area. Dan Edelstein 847-650-9786, dedelste88@gmail.com.
